Thanks, Joel, for your message. I did see the City Council action today and we're happy to help move this forward. However, the Office of Historic Resources will be moving at the end of next week to Figueroa Plaza (221 N. Fig., 13th Floor), so our office will be a bit chaotic in the next week or two as we all pack dozens of boxes and move into our new space. Could we look at some meeting dates about 2-3 weeks out?

Good afternoon, Ken.

Today, the City Council approved, on consent, the motion to have DCP amend the HPOZ to remove 1330 Pico from the Pico-Union HPOZ. (Last week, PLUM did the same.) I would like to meet with either you or your designee who will be given this assignment so that we can continue to move forward. Perhaps we can meet some time next week.

Thank you,

Joel
